My middling dice keep them from paying a higher price. While this was an anxious moment, they masked the fire of the 72 Krupp guns across the valley.

Another view of the storming of Spichern. Once more the dashing counter-attack. My dice rolled hot and the attacks were almost all stopped with heavy losses. These battalions, however, were widely separated, and came under fire as soon as they appeared. Click painting for larger view.

The French had also been reinforced, but their recruitment was slow, and the 6 August Does this product have an incorrect or missing image?
