What were the conditions of possibility that allowed Latinas to consciously and politically engage in the public sphere by publishing their work? In addition to the presence and movement of fictional characters within and beyond the city, we will examine the role of the city in autobiographical essays and personal writings of the authors studied.

WithoutaboxSubmittoFilmFestivals. Literatures or Languages - Any - Language Literature. This course examines an array of representative texts written in Spanish America from the

colonial period to the late nineteenth century, underscoring not only their aesthetic qualities but also the historical conditions that made their production possible.
