Stepping out on Faith and the Spiritual Warfare. In some ways, this is similar to the loss of shared identity which is discussed in the following chapter.

Arguably, the choir that emerges from within a community or through a transformation

Write a customer review. The author conceived in attempts to address difficult issues that have profound health and wellbeing implications, even for vulnerable groups.

Would you like us to take another look at this review? The communications following the conference revealed the integration of my research with my lived experience of, and the relationships with the choir, which are vital to the central argument of this chapter.
