There are many hidden truths that people seldom mention about Japan, like loveless marriages, forced happiness, work bullying etc but arent these things what make up the majority of the experience? Such an interesting post and thank you so much for sharing. And then it happened and our hearts sank – the hearts of the parents watching, the hearts of the helpers backstage and the rapidly beating heart of one little girl. IdecidedtoteachinJapanbecauseIhadspentayeartherewhenIwas6andreal
I am Japanese, so I can behave appropriately even in the face of such things, but I think people from other countries will be confused. And the thing what you say about people who love Japan either true Japan enthusiasts with fluency in the language or the ignorant way makes so much sense.
