Mainstream conversations about feminism usually proceed from the standpoint of middle-class white women - but they need to know their.

For Black women in particular, a hairstyle can often be viewed less as an aesthetic choice than as a political one, and we have many questions. So here to .

I cut my relaxed hair off three months ago - I don't regret it, but I can't deny that I'm conflicted about my decision in a world where natural hair.

I cut off my chemically relaxed hair nearly 12 years ago on the eve of my graduation from college. For four years at my historically black.
