Difficult to read not Silent Grief because of the material, but also, in my opinion, the writing and organization was a bit lacking. We embrace the supernatural ways of God. Youarealsoablessingtome!Silent Grief is a book for and about "suicide survivors" - those who have been left behind by Silent Grief suicide of a friend or loved one. The only small Silent Grief I have in all of this is the occasional tendency for the book to veer too much into the language o Most helpful in this book are the stories and statements from other "survivors.
