The Visual Deck of words Jun 26, Tena rated it really liked it. I also like that not only does this have activities on how to get me True Vision: Authentic Art Journaling but if you look in the back of the book there is also a list of other books they recommend and so this gives me a jumping-off place to check out other books from the library to get more ideas as I'm exploring myself my artistic side and my creativity.

KirstyWatsonIt'sveryeasytogethighqualityebooks here, thanks! To see wh The focus is not technical how to reproduce someone else's style but liberating how to discover one's own style. Also, the pages of the book are filled with gorgeous examples of their art.

Iboughtandreadthisbooktoseeifanyofthefeaturedartistscouldinterest now I really excited that I found this libraries! Being a writer, not a visual artist, I found the prompts effective and inspiring.
