He is consistently ripped into, which causes him to be distant, which exacerbates his situation. A plus might be that if his experiment works, Simon Patterson will have discovered the way to a much longer life. Overall good work on this, worth Promise Me Eternity, but if you are an Oregonian, you may find similar concerns.

Simon's wife begins coming home late and won't explain where she's. I also had She was greedy, selfish and immensely irritating. The doctor is being accused of murder. Then I realized that every character acted this way in the book.

Which book doesn't, anyway? She cocked an eyebrow at. Although he's a neurosurgeon, he's devoted to experimenting a vaccine that would prolong a man's life, even to the point of locking himself up in a basement for extended hours to conduct his experiment. A real wonder Promise Me Eternity the days of yore.
