Its purpose was to investigate UFO phenomenon worldwide. Defenders of UFO research counter that knowledge of observational data, other than what is reported in the popular media, is limited in the scientific community and that further study is needed.

Examples are the Belgian military investigation into large triangles over the North Sea. This brand-new book is a year advancement of one of the greatest and most respected UFO books ever written: The master chronology is an incredibly complete listing, which also refers the reader to pertinent sections in the book for fuller descriptions.

Studies show that after careful investigation, the majority of UFOs can be identified. Garcia marked it as to-read Dec 17,
