The basilica, or aisled hall, also called "barn style" is similar to both earlier Iron Age and later Saxon halls. Women were expected to run the home, cook meals and raise children. Our understanding of what Roman houses were like change each year as more evidence is found. By the fourth century the corridor sprouted wings and finally enclosed a central space to become a courtyard house. One of the fragments, measuring around 65 sq ft, is the largest mosaic specimen found in Leicester in the last 30 years. In the first painting the view is from above, as a bird might see it.

Tile floors were common, and most large villas contained at least one room with a basilica, or aisled hall, also called "barn style" is similar to both earlier Iron Age and later Saxon halls.
