In at least twenty-eight Aborigines were murdered at the Myall Creek in New South Wales, resulting in the unprecedented conviction and hanging of six white and one African convict settlers by the colonial courts. At elections held in late Malcolm Fraser and the Coalition were elected in a landslide victory.

Fraser established the multicultural broadcaster SBS welcomed Vietnamese. The s was a key decade for indigenous rights. London judged his public works to be too expensive and society was scandalised by his treatment of emancipists. Rudd used his term in office to symbolically ratify the Kyoto Protocol and led an historic parliamentary apology to the Stolen Generation those Indigenous Australians who had been removed from their parents by the state during the early 20th century to the s.

The review must be at least 50 characters long. From bomber missions over Europe and Mediterranean naval engagements, to facing Japanese mini-sub raids on Sydney Harbour and devastating air raids on the city of Darwin. Stanner described the lack of historical accounts of relations between Europeans and Aborigines as "the great Australian silence".
