Four hours from NYC. Along with three of her covenmates, Starhawk helped found the Reclaiming Collective in order to teach a politically-informed, feminist Witchcraft. Writers should have a connection to Westchester County, NY, area. Although these are far-fetched futuristic scenarios, being connected appears as the key factor and an important asset that will determine the identity, character and future of the Next Eleven cities. Could a community attempting to imagine itself in a pre-Fall state gain insight into combating heterosexist patterns? Open to American poets. How architects and urban designers might establish more trust and initiate more constructive partnerships with their clients is an issue discussed by Benjamin Zagami in his contribution "Negotiating the Design of Emerging Urban Futures with Developer-clients": Although only Hedwig uses explicitly religious language, both films have tapped into a need for sexual exploration so intense that they have spawned highly ritualistic behavior around them, behavior that in many ways substitutes for traditional religious practice.
