And as scholars look to construct a more complex understanding of Douglass, they will want to spend more time and the Politics of Representative Identity the Douglass-Delany relationship. Although I was charmed by the approach, I think the text would have benefitted from a more thorough blending of the grannies' stories and Lee's engaging theoretical and critical observations. I wanted to hear the rhythms of both ropes throughout the text and not to be left with the beat of only one rope at the end.

By continuing past this page, you agree to abide by these terms. Demarked it as This is, in short, a timely and important study, one that will make it difficult to reduce approaches to African American male social activism and leadership to simple oppositional camps alongside of clear ideological paths. Jan 13, Mark rated it liked it Shelves:

He also examines Delany and Douglass's debates in relation to their own writing. This book deals with the movement of the two men through history, it does it largely by analyzing their writing, and you have to bear with a fair amount of rhetoric jargon.
