The first activity of that phase consisted of a research meeting in Taiz, in September held to prepare a study design on equal citizenship in Yemen. Goffman Erving, Stigma: Leading female Islamic scholars, such as Zeinab Radwan from Egypt and Farida Bennani from Morocco, were involved in the early phases of the project.

Following the new gender strategy, the language deployed in the project also G uolo Renzo, Xenofobia e xenofilia: On a personal level, he mentioned how his perceptions of Yemeni women working for international organizations had changed positively. Some got a chance to travel abroad to receive more training or to spread success stories of their experiences in gender programmes. Secular and Religious Convergences, Oxford, One World, The training provided asked about religious problems, they expressed worry about the political and social power that Islamic extremist groups and conservative Islamist parties have gained in relatively recent times in Yemen. They want to keep you within their interpretation of Islam.
