Conversant with current theory in political science, anthropology, and Marxist and feminist analysis, Johnson writes with clarity and discernment free of dogma. In this view, once women were wage the Family, power dynamics within the family would automatically improve. Thepointsmaybebasic,buttheyarewelldocumentedandillustratedwithago  
primary focus is on reforms of marriage and Women because traditional marriage, family, and kinship practices have had the greatest influence in defining and shaping women's place in Chinese society.
