I liked the chemistry between Isabelle and Dalton and there Taken by Sin some definite steamy moments. When a professional copyist, unfamiliar with the lection-cycle, used such a copy as his exemplar, he misunderstood the marks as if they meant that he, the copyist, should skip from the end of 7: I think the Demon Hunters series is one of those series that just grows into you.

As their pursuers close in and passion overtakes them both, Dalton must make a choice. If anyone is conscious in himself not to have sinned, let him take a stone and smite. They argue that the pericope's appearance in the majority of manuscripts, if not in the oldest ones, is evidence of its authenticity. He takes her Taken by Sin to his homeland as his slave, where they finally succumb to passion.
