But it provided a firm base upon which all manner of men, of all races and colors and creeds, could build our solid structure of democracy. He received medical treatment for nearly a month; he attempted to leave the Red Crescent's health facilities after only two weeks, but when his eye's situation worsened, he had to return and resume treatment. Today, our most important and most productive task is the national education [unification and modernization] affairs. Armstrong, Harold Courtenay The FSCC had distributed millions of tons of food and commodities e.
