How to Ride a Bicycle (with Pictures) - wikiHow

He's agreed to take on a challenge that, for me, has felt impossible my whole life. On this sunny afternoon, I'm finally learning how to ride a bike.

Just because a child is four years old doesn't mean that they are "ready" to learn to ride a bike. Kids (and adults) are ready to learn to bicycle when they want to.

It's a massive moment for any child (and their bike-mad parent) – learning to ride on your own, without stabilisers or support.
