Busted. Life Inside the Great Mortgage Meltdown. Edmund L. Andrews (Author) Ed Andrews was intimately aware of the dangers posed by easy mortgages.

In "Busted," The Times's Edmund L. Andrews explains why he bought a house he couldn't afford. Life Inside the Great Mortgage Meltdown.

Like countless others trapped in the mortgage meltdown, we looked like average suburban home owners. We grilled hamburgers on the deck.

He adds that his mortgage broker prided himself on handling difficult situations. But even then, I had very little idea of how much I was paying in hidden fees that were rolled into my interest rate, or how much they might end up costing me five years down the road. But overall I read this as a story of human frailty.

I had two utterly compelling reasons for taking the plunge. Not a bad book but could have been better. An even louder chorus of critics blamed him for refusing to clamp down on sleazy mortgage lending.

Slightly technical, the writer's personal journey with an ARM and loads of debt. I quickly found out, American Home Mortgage had become one of the fastest-growing mortgage lenders in the country. It was very interesting to read about the origins of subprime and other bad loans.
