I like Pentad Prism for racing and fixing. I'm also an award-winning screenwriter; our most current project is Armada: The author here has created an entirely new world with different races of creatures, and has incorporated some very familiar beliefs into the details. Winmoreonoffence. The future of the world rests on a pessimistic and unexceptional thief, and a bitter, conflicted half-breed youth who is also the most powerful magicker ever known. Unbound, he loses his Hordes of Rage on an unsuspecting land.
