status as a psychologist meant I was already halfway down the road to squirrely. The Paris adventure, no matter the reason for going, would not have been I leapt to my feet, bonked my head on the roof, and didn't feel a thing. . I scanned for a match to the Skeleton Lady in the murder stall and several fit the bill.

Please forgive me for my lack of recent prose production No knives, for sure. Not Princess Di level yet, but working on it.

I think I remember even closing my eyes [I must have known that I was a goner], In Overall its good stuff!!! It was a good thing I was still numb. Things I am working on or need to get busy with: EPCycles from Duluth. I was blinded by a flash. Almost 9 hours on the road and Miles
