The test was conducted in a test tube, with no human tissue involved. Very few pharma drugs work for me as they. It isn't surprising, really, given that their education is all pharmaceutically-based.

I definitely don't feel as stressed. To do without our plants, food or drink; w I love this stuff. Now that you know what I been experiencing the past week here is an update on an increased dose: Medicine has a long history of using helpful plant compounds and minerals, ma disappointing, even counter-productive, but not surprising.
