I would not have been able to live with myself if that happened. With that being said I am very much invested in facilitating that process. I felt I met God in eternity and like a fundamental note to my experience of being alive. It may not be a full transition back to their previous life, but it can improve. There were adults involved with maintaining my farm daily that knew she was sick and continued to help her in proving her theories and accompanying her delusions. I felt there was these presences just outside our reality, another realm, trying to communicate to me or have me do something, I just did not know. I probably will come off it eventually but I am still cautious. I found myself experiencing the spirits in my physical form. Hi Jayson, Thank you for writing this article.
